Amyotrophic Lateral Sclerosis
(AMP® ALS)

Building Bridges to Breakthroughs

Science has the power to cure, but no single organization can do it alone.

The Foundation for the National Institutes of Health (FNIH) is a non-profit organization chartered by the U.S. Congress and launched in 1996 to support the mission of NIH.

We connect world-leading NIH researchers with the ingenuity and expertise of public and private sector leaders to accelerate medical breakthroughs.

AMP® ALS Partners and Leadership

Public Sector

Ex-Officio

Amelie Gubitz
NINDS

Private Sector

Dan Doctoroff
Target ALS

Stephanie Fradette
Biogen
